LISTENING TRANSCRIPTION

Exercise 1. Listen and tick.

Hi, I am Kristen. Christmas is the most beautiful celebration! I love my green tree and all the decorations I put on it: balls and stars from different colours! But my favourites are red. We usually put a yellow star on the top of the tree and some presents under it. My present last year was blue and pink. I love putting red and green stockings on the chimney. Father Christmas usually puts candy inside of them!
