Sofie and Mitch's House

Sofie and Mitch live at 7 Cobblestone Drive, West Hights. They have a lovely two-story, three-bedroom house with a big garden. When you go inside from the front door, you enter the hall with a long mirror and a hat stand where you can hang your coat. **In** the hall, there is a staircase to the first floor where the bedrooms and the bathroom are. The bathroom is all white and has a deep bath, a shower, and a toilet. There are three bedrooms. Two are used as bedrooms with big comfy beds and **bedside** tables with lamps **on** them. They also have large wardrobes **in** which to put all of your clothes. The third bedroom is used as an office with a desk and a computer. If you go back down the stairs and to the hall then through the hall to the left, you will find the kitchen. The kitchen is spacious with lots of appliances, an oven, a stove and a sink for washing dishes. The dining room **next to** the kitchen. **In** the dining room, there is a large dining table with six chairs. **Behind** the dining room is the living room with a comfy beige sofa. **In front of** the sofa is a colourful rug and a TV. From **behind** the dining room, there are french doors leading out into the garden. On nice sunny days, it is lovely to sit outside to eat breakfast and look at the pretty flowers.
