Read the text and circle the correct answers.

My name is Tia, I am nine years old and I am from London, the capital of England. I live with my mother in a quiet little house in Paddington. My house is small but very cosy. There are two bedrooms in my house. My mother has one bedroom and I have my own bedroom.

My bedroom has a comfortable bed with a bedside table and a lamp. I have one wardrobe for all my clothes. Both bedrooms are upstairs. There is also a corridor, and a bathroom. In the bedroom I have a big bed, two bedside tables with lamps on them. I also have an armchair, a big rug on the floor and a picture on the wall. In the bathroom there is a bath, a sink, the toilet, a mirror above the sink and a rug on the floor.

Downstairs there is a living room with a big sofa, a kitchen, and the hall. In the hall we have the stairs to the second floor and some paintings on the wall. There is no dining room and so we eat our meals in the kitchen. The kitchen is quite big. It has got a table in the center, four chairs, a fridge, a cooker, a big white cupboard where we keep our plates and glasses, a washing machine, and a dishwasher. There is also an attic in my house where I have my computer on my desk. I love to play video games on the computer!
