Read the text and answer the questions.

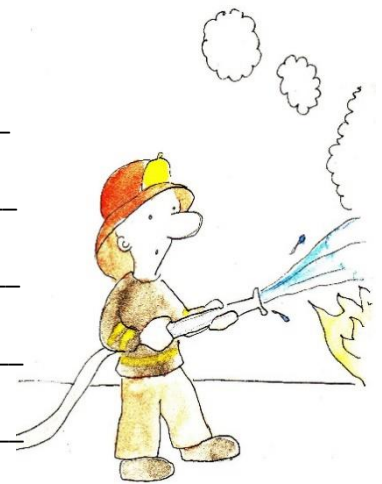

Hello! My name is Jack. I am 28 years old I live in Seattle; USA and I am a firefighter. In the morning, I wake up early at half past five. I take a shower; I get dressed and I go to work at a quarter past six.

I save people by putting out fires in dangerous situations. We use a long hose to spray water on buildings that are on fire. I like to drive the fire truck. The fire truck has long ladder that we use when we have to reach high up to a window in a building or when we save a cat from a high tree,

I wear special heat resistant clothes that protect myself from fires. I also wear a helmet and boots. And I carry an axe, a flash light, a knife, wire cutters and a screw driver.

Jack's job is dangerous, but he loves it. He is a hero...
