Read the text.

Hello! I'm Jason and I'm in class 4A. My school is called Eastwood Primary School. I've got lots of friends and the teachers are nice.

My school is big. There are twelve classrooms and a big library with lots of books and fifteen computers. The library is my favourite part of school. I like reading and playing computer games. There is a big playground. I love playing football but I don't like playing hide and seek. In the playground there are three recycling bins: the yellow bin, the green bin and the blue bin.

I love my school, it is an eco-friendly school. We all care about the environment. The rules are: 1) Reduce, reuse and recycle; 2) Don't litter; 3) Don't waste water.
