**Read and write the name of five (5) sports you can play at the new sports center.**

**A new sports center opened in our town last week. You can do so many things and play so many sports there.**

**You can play tennis and volleyball. There is also a big football pitch where you can play football. What I like most is the new basketball court where we play basketball for hours.**

**In the middle of the center, there is a small handball court for those who like playing handball.**
