Read and write the things you need to buy when you go jogging or when you want to start playing tennis:

For jogging you need:

1. -----
2. -----

For tennis you need:

3. -----
4. -----
5. -----

We don't need so many things to buy to practice our favorite sports. For example, when you want to start running and go jogging in a park or a street all you need is a good pair of running shoes and a pair of shorts.

If you like to start playing tennis then you have to get a good racket, a pair of tennis shoes and a tennis ball.

So, if you have decided to start these sports, then get these things..and good luck!!
